Spoke to Mrs. Smith. She indicated she is now involved because of her husband's passing and does not know the background. She indicated that she would like to speak to her daughter tomorrow and to Mike Sando. I explained that the November 4, 2013 submittal from MTS Engineering was not claimed confidential but the December 23, 2013 submittal was. Per the regulations, if she wants to claim the November submittal, we need to be advised within 3 business days. She indicated she doesn't understand why one letter was claimed CBI and the other not. She said that either she or Mr. Sando would advise me of how they want to proceed with the CBI claim.
